DATE MAILED:

EXAMINER INTERVIEW SUMMARY RECORD

All participants (applicant, applicant's representative, PTO personnel):

- (1) Anthony O'Leary, Examiner (3) Gary J. Connell, Appl. Repr.
(2) Nadine Chien, Appl. Repr. (4) _____

Date of interview 10/14/93

Type: ☒ Telephonic ☐ Personal (copy is given to ☐ applicant ☐ applicant's representative).

Exhibit shown or demonstration conducted: ☐ Yes ☒ No. If yes, brief description: _____

Agreement ☐ was reached with respect to some or all of the claims in question. ☒ was not reached.

Claims discussed: 53, 56, 62

Identification of prior art discussed: Barclay # 5,130,242

Description of the general nature of what was agreed to if an agreement was reached, or any other comments: Appl. repr. confirmed

typographical error in claim 56. Also, set forth differences in claim
53 from claims of Barclay patent to demonstrate that 101 double
(i.e. instant claims call for extracted lipid in food product)
patenting is improper, examiner tends to agree barring further
consideration (i.e. should be obvious double pat.). Nothing promised.

(A fuller description, if necessary, and a copy of the amendments, if available, which the examiner agreed would render the claims allowable must be attached. Also, where no copy of the amendments which would render the claims allowable is available, a summary thereof must be attached.)

Unless the paragraphs below have been checked to indicate to the contrary, A FORMAL WRITTEN RESPONSE TO THE LAST OFFICE ACTION IS NOT WAIVED AND MUST INCLUDE THE SUBSTANCE OF THE INTERVIEW (e.g., items 1-7 on the reverse side of this form). If a response to the last Office action has already been filed, then applicant is given one month from this interview date to provide a statement of the substance of the interview.

☐ It is not necessary for applicant to provide a separate record of the substance of the interview.

☐ Since the examiner's interview summary above (including any attachments) reflects a complete response to each of the objections, rejections and requirements that may be present in the last Office action, and since the claims are now allowable, this completed form is considered to fulfill the response requirements of the last Office action.
